[redacted] Met with Mr. Peter Gerardi, House Science and Astronautics Committee, in response to his request for advice and assistance for Committee Chairman Miller and Subcommittee member Olin Teague concerning information, preferably unclassified, relating to space walking and space rescue procedures and facilities. The Committee is particularly interested in any publications by the Soviets in these fields. He noted with quite some interest the October 1964 proposal of the Baltimore Division of the Martin Company concerning space rescue and is requesting the material directly from Martin today.

Mr. Gerardi also requested advice concerning the news releases of 19 May by Reuters concerning the increased cooperation by the French and Soviets by the incorporation of French instruments and Soviet satellites.

9.

[redacted] Met with Miss Dickie Fosdick, Staff Director, Senate Government Operations Subcommittee, concerning the Warsaw Pact Paper. Miss Fosdick reiterated that the Senator was most pleased with the tenure and format as well as the substance of the paper. She noted that it was being processed for publication with no substantive changes. A forward has been included to the effect that the paper was prepared in the Executive Branch in cooperation with the Committee staff.
