Memo for Record*

DD/ST# 1906-66

31 March 1966

MEMORANDUM FOR THE RECORD:

SUBJECT: Discussion with [redacted] USAF, Ret.

25X1

1. On 28 March 1966 [redacted] visited the Headquarters Building to discuss ESP w [redacted] and was referred to ORD by [redacted]

25X1

2. [redacted] is interested in initiating a program, presumably to be sponsored by the Agency, to train Vietnamese in ambush detection by means of ESP. He averred that a [redacted] had some success in this area while in Vietnam but never was in a position to pursue this training program to completion. [redacted] is now assigned to USAFTC, Randolph Field.

25X1

25X1

3. [redacted] indicated that DIA and ARPA had great interest in this area. It was not determined whether or not [redacted] had actively sought sponsorship from these groups.

25X1

4. I indicated to [redacted] that ORD would have interest from a research viewpoint and suggested that he outline his ideas in writing for proper evaluation, and if he planned on submitting a research proposal it must be with the sanction of an appropriate institution or organization. He indicated his willingness to pursue this further.

25X1

5. [redacted] seemed well acquainted with ESP efforts, but his information reflected only one viewpoint. While never speaking directly to the subject, I could not help but get the impression that he was seeking employment.

25X1
