MEMORANDUM FOR: Executive Officer, Domestic Contact Service

Carroll:

As you can see, the attached letter was forwarded to Dr. Wheelon by Admiral Raborn. This Directorate knows nothing about either the man or the organization and cannot glean from this rather weird letter what the problem is wants to discuss.

If any action at all is worth taking, I feel that the first step should be for your people in California to contact him and get more information. Therefore, may I pass the action, if any, to you.
