CENTRAL INTELLIGENCE AGENCY
WASHINGTON, D. C.
OFFICE OF
THE DEPUTY DIRECTOR (SCIENCE AND TECHNOLOGY)

5 January 1966

STATINTL

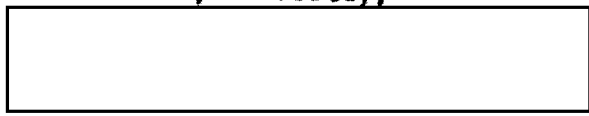

Mr. Becker has informed me of your father's death.

I know this has been a shock to you, yet it must be comforting to know that he enjoyed good health for so many years.

We extend our deepest sympathy to you and to your family. If there is any way I can assist you, please do not hesitate to call on me.

STATINTL

Very sincerely,

Albert D. Wheelon
Deputy Director
