3 January 1966

Dr. Daniel J. Fink
Deputy Director
Strategic & Space Systems
Office of the Secretary of Defense
Pentagon
Washington, D. C.

Dear Dan:

STATINTL

I have just gone through [redacted] trip report with some care and found it most interesting, as it reflects the mood of this discussion circuit. A critical reading does not seem to give too positive intelligence, or have I missed something crucial?

SIGNED

Albert D. Wheelon
Deputy Director
