DD/S&T-2574-66

23 MAY 1966

MEMORANDUM FOR: Director, Foreign Missile and Space Analysis Center
Director, Office of Computer Services
Director, Office of ELINT
Director, Office of Research and Development
Director, Office of Special Activities
Director, Office of Scientific Intelligence
Director, Office of Special Projects

SUBJECT : Visits to DD/S&T Contractors

REFERENCE : DD/S&T-870-66, Dtd 4 February 1966

1. The following instructions modify the referenced memorandum. As in the earlier case, the procedures will continue to be revised, as necessary, pending the publication of a formal SOP.
2. A procedure is required for controlling access to DD/S&T contractor organizations by foreign officials, and non-CIA personnel, whose access to the contractor facility is not clearly in support of the objectives of the intelligence activity. Generally, such visits are for the purpose of eliciting information on the contractual relationship with CIA and the activities related thereto or are for the purpose of discussing one aspect of the contractor's program in which the visiting official may be interested. In such cases, considerations of policy and security require that such requests be submitted to the undersigned for review and approval.
3. We wish clearly to except from this requirement those visits by non-CIA personnel to DD/S&T contractors for which adequate precedence

exists and which, in the opinion of the Director concerned, will clearly assist in the fulfillment of the contract by providing contractor personnel with information or expertise which may otherwise be lacking. However, we do wish to provide for some form of effective control over visits to DD/S&T contractors which do not fall into these categories and the intent of which is primarily information seeking, particularly where such visits involve foreign nationals.
