SUBJECT: Prospective Contract Actions to be Effective  
1 July 1967

1. In the past there has been a heavy load of contract processing at or near the beginning of the new fiscal year to obtain necessary approvals for desired follow-on action to contracts expiring as of 30 June.

2. It is requested that all such proposals this year be submitted to O/DD/S&T not later than 1 June 1966. This will permit a more orderly review of the request and at the same time should alleviate contractor anxieties concerning our plans.

3. It should be recognized that these proposals necessarily will be subject to the availability of funds.
