SUBJECT : Cable Releasing Authority

Attached are lists reflecting the names of people who possess cable releasing authority at both the OSA Signal Center and the CIA Signal Center. It is Dr. Wheelon's hope that these can be reduced as well as updated. I expect that he will wish to review these lists at a staff meeting and in a manner similar to his reviewing of security clearances. (This may take place on Wednesday, 27 July, after the Security Review meeting or on Thursday during the staff meeting.)
