25X1A

1. Mr. [REDACTED] a senior official of this Directorate, serves as Special Assistant to Dr. Wheelon. He also is a member of a number of senior panels, some of which are sponsored by USIB. In carrying out his assigned duties it is often necessary for Mr. [REDACTED] to participate in meetings at the Executive Office Building, the Pentagon, or NPIC. In almost every instance Codeword material is involved.

2. Mr. [REDACTED] has advised me that, in all likelihood, there will be circumstances arising wherein Codeword material must be taken to these various meetings, and there would not be sufficient time for an official SI, or TKH, or [REDACTED] courier to do this.

3. It is, therefore, requested that Mr. [REDACTED] be designated an emergency courier for SI, TKH and [REDACTED] material with the understanding his participation in this role will be on a very limited basis, and that at all times a record will be maintained in this Directorate of the material being transported. Your timely cooperation in processing this request will be appreciated.
