MEMORANDUM FOR: Chief, Signal Measurement Staff/OEL

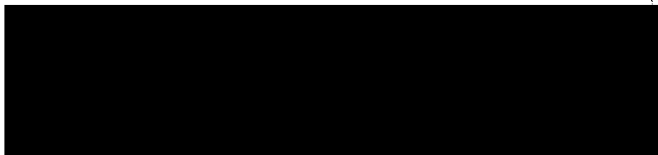

SUBJECT : Proposed Letter to the Deputy Secretary of Defense

1. The attached letter from the DCI to Deputy Secretary Vance mentions the NRO several times as well as several additional items such as the Agency's reconnaissance vehicles. Some time ago the DIBO requested that all communications containing either the words National Reconnaissance Office or the abbreviation NRO be classified Secret and be transmitted in either the [redacted] or the TMI System.- the former, of course, to be used exclusively where the text surrounding the term NRO deals with operational matters. It is suggested that the referenced letter be placed under appropriate [redacted] controls.
