MEMORANDUM FOR: All CIA Security and Control Officers

25X1A

SUBJECT

: Reproduction of

Controlled

25X1A

Materials

25X1A

- 1. Uncontrolled reproduction of Control System material negates important protective measures prescribed by the System. In order to reduce the chances of compromise, it is 25X1A requested that each of you again remind all personnel under your cognizance that reproduction of 25X1A controlled material, in whole or in part, is prohibited unless permission to do so has been obtained from the Control 25X1A Officer to whom document accountability has been assigned.
- 2. Whenever such permission is obtained, copies will be controlled under the originator's assigned and will be further identified as "Series B." Each copy will be numbered in sequence beginning again with one (1). Each copy will also show the total number of "Series B" copies prepared.
