MEMORANDUM FOR THE RECORD

SUBJECT: NBC-TV Documentary on Espionage

25X1A9a [Redacted] gave me the following note on 3 December regarding his
25X1A9a discussions with [Redacted] on this subject: 25X1A9a

25X1A9a

"Discussed NBC's request by Bob Rogers for CIA cooperation in project of documentary on "Espionage" with John Chancellor as narrator. Allen Dulles called me re NBC people asking his assistance in their "Espionage" project and of his telling them he would have to know of the Agency's attitude. Discussed this whole matter in detail with Mr. [Redacted], particularly NBC request that Mr. McCone make a statement for use in the program (due next May, with March 1965 close-out), and of "an American agent, not now active," who would speak on US espionage. Suggested Mr. Dulles ask NBC representatives if Ted Yates who is in charge of project had been to the Soviet Embassy to discuss project and ask Soviet views on CIA's espionage activities."
