General Information

25X1A9a

[REDACTED], all of Communications Office, accompanied last weeks trip to the repository.

25X1A9a

A meeting was held with [REDACTED] of OO/C to determine the feasibility of eliminating some of the present IBM time required for maintaining their files. Mr. [REDACTED] stated that he felt about four (4) days work a month can be saved.

25X1A9a

25X1A9a

Mr. [REDACTED], OCR, has concurred in this office's proposal to reduce certain interpreting and collating operations of the OCR library index cards at the repository. It is estimated that an average of 60 hours per month will be saved.
