EMERGENCY RELOCATION PLAN

1. My review of the Emergency Relocation Plan  indicates the need for further designation of duties and responsibilities. To that end, I am delegating to the following individuals, in addition to their regular functions, these jobs:

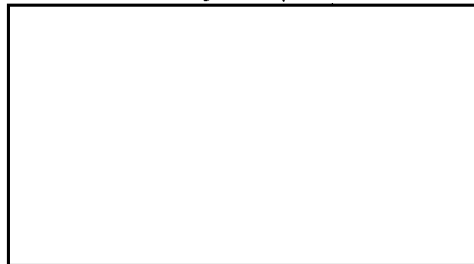

25X1

25X1

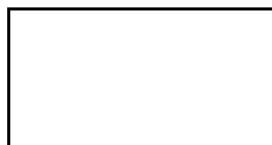

2. These delegations do not replace the responsibility for each Chief to see that his annex to the Emergency Plan is current and substantive.

3. I expect all Emergency Plans to be current by 15 April 1966 or sooner.
