Total :	27 cu ft

News

25X1 Messrs. [redacted] of TSS were here on 29 January 1959 to look over the site and to decide upon the location for testing the incinerator that is being developed in Columbus, Ohio.

It was decided by all present [redacted] OS/Safety Officer; [redacted] Messrs. [redacted] Records Center; and [redacted] that the new loading platform on the lower level would be the best location.

25X1
25X1

25X1 [redacted] was unable to give an estimate as to when the incinerator could be delivered and tested. He is planning to go to Columbus this week, and will let us know any developments upon his return.

[redacted]
