MEMORANDUM FOR: Chairman, Training Selection Board

THROUGH : Deputy Director for Support *S/RLH* 4 NOV 1965

25X1A

SUBJECT : [REDACTED] Unable to Attend the Armed Forces Staff College

25X1A

1. [REDACTED] was nominated and approved by the Training Selection Board for attendance at the August 1965 session of the Armed Forces Staff College. Subsequently, however, I found it necessary to advise that in the best interests of the Agency I was extending him as Chief of my [REDACTED] for a third year, ending in June 1966. Accordingly, I requested that he not attend in 1965 and later nominated him for the 1966 session.

2. I am extremely pleased with his nomination to the Staff College for the second time and doubly regret that I must advise that it becomes difficult for me to make him available again this year. [REDACTED] of my Staff has also been selected to attend the same session and making available two senior officers has become a problem, particularly at this time of the year. Additionally, since my initial nomination of [REDACTED] I have promoted him to the grade of GS-15 and in September of 1966, he will have a position on my Headquarters Staff in consonance with his grade and requiring his extensive experience. Further, to replace [REDACTED] in the field, allow a reasonable overlap with his replacement, and return him in time for the Staff College, it would be necessary to considerably curtail his well-earned leave at the end of his current assignment. For these reasons I request that [REDACTED] name be removed from the list of those attending in favor of an alternate from another component.
