25X1

[redacted] Obtained from Dick Cook, of the Ashley Subcommittee staff, a limited supply of the Subcommittee print "The Fiat-Soviet Auto Plant and Communist Economic Reforms" which includes the ORR study "The USSR: About to Enter the Automotive Age?"

25X1

[redacted] Doug Baldwin, Staff Assistant to Senator Clifford P. Hansen, called to advise the information he had received regarding Hanoi adherence to certain Geneva Convention provisions having to do with ambulance vehicles had been obtained from a Mr. Holmes who is an assistant to Paul C. Warnke, Assistant General Counsel, DOD. Baldwin was merely passing this on to us for our information.

25X1

[redacted] Anne Compton, in the office of Representative Richard L. Roudebush, called and asked for any material the Agency could provide them in responding to constituent inquiries on the NSA matter. I told her the Agency did not comment on matters of this sort but I would be happy to provide her with a selected group of newspaper accounts which she might find useful in this respect. She said she was sure this would fill her needs.

25X1

[redacted] Based on the advice of [redacted] of ORR advised Mr. John Woodworth, in the Office of the Secretary of Defense, that our machine run had been completed and that there was no CIA report to the effect that U.S. products were finding their way to North Vietnam as a result of U.S./USSR trade. Copies of the correspondence received by OSD on this will be sent to us for a further review by our substantive people before a final answer is sent by Arthur Barber, Deputy Assistant Secretary for Arms and Trade Control in the Office of the Secretary of Defense for International Security Affairs, to Congressman Evins.

25X1

25X1

[redacted] [redacted] Legal Advisor, NSA, called for assistance in answering an inquiry posed by Senator Jacob Javits (R., N.Y.). Several congressional documents were sent to [redacted] to help him satisfy this constituent inquiry concerning material relating to USSR and ChiCom intelligence service.
