Executive Officer
DD/S&T

25X1A

Dear [Redacted]

25X1C

Just a note to pick up a couple of items of interest.

25X1C

[Redacted]

He plans to arrive in Washington on 26 September 25X1C
afternoon and has set aside 29 September as the day for a visit 25X1C
to CIA Headquarters, probably appearing at USIB. On 30 September
he plans to visit NPIC and possibly other offices. [Redacted]
is probably handling all D. C. arrangements. A copy of [Redacted]
biography is attached.

25X1C

One other additional item--for DD/S&T use (not to be supplied
by DDI) we need a copy of the USIB minutes. We just can't
continue to rely on DDI to keep us advised of items which are of
interest to us. Their interpretations of such "items of DD/S&T
interest" are entirely foreign to our judgments--we need a
separate and distinct copy of our own. Would you please send
us one direct.

Looking forward to visits by the delegates to Methods Confer-
ence. Will the boss be leading the group?

25X1A

Sincerely,
