

Dr. Victor K. Heyman
O&D Systems Analysis
Southeast Asia Progress Division

Dear Dr. Heyman:

We wish to thank you for the splendid cooperation and assistance that you and personnel of your unit gave us recently in preparation of a high priority study requested by the Secretary of Defense. We wish especially to commend the aid given by Mr. Thomas Thayer and Commander Reid Willis, who helped us to solve data base problems, and Captain Jerrold L. Bitters (USAF), who procured urgently needed data not yet available in published form. It is our understanding that Mr. Thayer actually is a part of your unit but that the other gentlemen have been detailed to work with you by other units. We would appreciate it if you would convey our thanks through appropriate channels.

Sincerely,

William N. Morell, Jr.
