State Department review completed

Department of State Support to ORR
Calendar Year 1966

ORR prepares annually between 25 and 30 NIS General Survey Sections (Section 6). Advance draft copies of these sections are forwarded to appropriate embassies and consulates for comments which are returned to ORR for incorporation into our final draft.

Reporting from embassies and consulates is used as source material in the preparation of ORR finished intelligence.

MEMORANDUM FOR: Mr. William Morell
ORR/CIA

25X1

Bill -

If you have a little time before our meeting, you may like to take a glance at this very impressive proposal [redacted]

[redacted] 25X1

The immediate issue is Phase 1, the Feasibility Study, designed to scout the area and establish whether the data basis would support further progress into the later phases. The quick statement is to be found in the Introduction (paras. 1.5 and 1.6, page 2). Phase 1, as I understand it, is estimated to take 5 months and [redacted] All decisions about proceeding further would await the outcome of this phase.

25X1

We are looking forward to seeing you on Tuesday.

AE
