MEMORANDUM FOR: R&D/OSA

ATTENTION: ▮▮▮▮▮▮▮ 25X1A9a

SUBJECT: DD/S&T Career Training Program

1. All Operations Divisions' lesson plans for subject program have been completed and published. One set is attached for your information.

2. A "dry run" of all Operations Divisions' lectures has been completed today. A minor change in the master schedule is necessary to provide a more logical sequence of training. Request the lecture "System Test and Validation" scheduled for 1300 on 12 April be switched with the lecture "Configuration Management and Control" scheduled for 0930 on 13 April. Each of these lectures will take approximately one hour.
