OFFICE OF LEGISLATIVE COUNSEL

Monday - 30 June 1969

1. (Secret - JMM) In the absence of Senator Henry M. Jackson (who is on the west coast this week), [redacted] and I met with Miss Fosdick, Staff Director, Subcommittee on National Security and International Operations, and delivered a paper on "The Effect of the Cuban Missile Crisis on Soviet Strategic Force Planning" per the Senator's earlier request. 25X1A

Miss Fosdick said she was anxious for the paper on the Politboro we are doing for them by not later than the morning of Thursday, 3 July.

Miss Fosdick also requested for this week a very brief paper on the number of Soviet "intellectuals" now in prison or in labor camps.

In addition, Senator Jackson's office would like any material we have on the recent world Communist conference in Moscow (they would apparently like raw material from FBIS plus the classified Agency analysis thereof).

We briefed Miss Fosdick on recent developments in Soviet ICBM deployment and the Sino-Soviet military situation.

2. (Secret - JMM) [redacted] and I met with Ed Braswell, Senate Armed Services Committee staff, to whom we delivered for Senator Stennis a copy of the Director's prepared statement before the Senate Foreign Relations Committee on 23 June.

We briefed Mr. Braswell on recent developments in Soviet ICBM deployment and the Sino-Soviet military situation.

3. (Unclassified - GLC) Left with Mr. Lloyd Salvetti, in the office of Representative Hastings Keith, a map of the Agency for the Congressman's use in visiting the Headquarters building tomorrow.

4. (Internal Use Only - LLM) Called Mr. Lloyd Salvetti, Administrative Assistant to Representative Hastings Keith (R., Mass.), to confirm the arrangements for Mr. Keith's visit to Headquarters tomorrow at 8:30 a.m.

Later in the evening Mr. Salvetti informed the Agency's Watch Officer that they would have to cancel.

8. (Confidential - JGO) Met with Mr. Carl Marcy, Senate Foreign Relations Committee and reviewed with him Chairman Fulbright's letter of 23 June concerning Agency support of the [redacted]

[redacted] I advised Mr. Marcy that the Agency does not comment on speculation by individuals or the press concerning Agency activities and that we prefer not to respond to the Chairman with a letter in writing that might be forwarded to a constituent or individual raising a question of the Chairman. Mr. Marcy noted in passing that response in writing would very often be forwarded to the questioner in response to the basic inquiry. I advised Mr. Marcy for the Chairman's information solely that the Agency is not supporting the University in any fashion. After review of the file, which had been assigned to Mr. Pat Holt by the Chairman, Mr. Marcy wrote a note to Chairman Fulbright and drafted a letter of response for the Chairman which stated in effect that the Chairman does not believe the Agency is providing any support for the [redacted]. I thanked Mr. Marcy for his assistance in this matter. No written response is required.
