2. [redacted] Received a call from the office of Senator Frank Church asking how a letter should be addressed to the Agency. Recalling the incident when Senator Church's office previously tried to send a letter to 2430 E Street by Capitol Page, I made arrangements for us to pick up the letter from the Senator's office tomorrow morning.

3. [redacted] Learned from J. Garner Cline, House Subcommittee on Immigration, that no report has yet been received on the Rodino bill (H.R. 14545). I shall call Mr. Rommel at BOB to see if anything can be done to expedite the report. Cline also said that the [redacted] has come up in committee, but he put it over since nothing has been heard from Senator Eastland. I shall again check with Fred Mesmer of the Senate Subcommittee on Immigration staff to see if he can ask Eastland to call Feighan on the bill.

4. [redacted] Checked with Ben Zelenko of the House Judiciary Subcommittee 3 Staff on the status of the bill on the use of the Agency name or initials (H.R. 14538). It is not yet scheduled for a hearing, but Zelenko expects it may come up within the next two weeks.

5. [redacted] Left word for Pat Meo, in the office of Representative Ogden Reid (R. -N. Y.), that the letter from Lt. Drubno, USAF pilot captured by the North Vietnamese, has been useful to the Air Force and that I will provide her with more specifics when they are available.
