MEMORANDUM FOR:

25X1A

SUBJECT : Proposed Revision -  18-9

25X1A

1. I have reviewed the proposed revision of  18-9 which deals with requests for CIA officials as guest speakers. I can see no problem with this revision and therefore recommend DD/S&T concurrence. 25X1A

25X1A

2. I reviewed  18-9 of 19 October 1965 and find that it needed revision because it was so brief. I have also reviewed the other regulations referred to, namely,  10-7 and  10-8.

3. For the most part, this regulation follows the procedure for arranging for Agency speakers which is currently in effect.
