MEMORANDUM FOR: Dr. Wheelon

25X1C

1. The reason for the attached invitation is that [redacted] both feel it's about time they sponsored a cocktail party. This is what Bill told me, at any rate.

2. I know for certain that the Carl Ducketts, Karl Webers, [redacted] also have been invited from DD/S&T. I expect that Don Chamberlain has been invited, too, although the invitation was not passed through me. The [redacted] usually have a good representation from the DD/S&T and I would guess that others from this Directorate have been invited, too. As usual there should be a balanced group from DIA, [redacted] and DD/I.

5. Incidentally, I am planning to arrange an appointment for [redacted] to see you tomorrow at your convenience because he has a letter from [redacted] addressed to you which [redacted] asked that he deliver personally.
