NOTE TO:

1. I have just been informed that a briefing will take place this Friday, 11 February, in the CIA auditorium at 1100 hours. An ACSI representative will provide information on lessons learned from military operations in Vietnam.

2. This was arranged by with General Davis at the request of the Director.

3. An SI clearance is required. There is no quota for DD/S&T attendance and I presume any who are interested would be welcome to attend.

4. I will raise this matter at the afternoon meeting and perhaps an announcement can be made at the DD/S&T morning meeting tomorrow. If you wish, I can work directly with each office to obtain the names of those who will attend. We are expected to report on the total number of prospective attendees by Thursday afternoon to DD/L.
