Dr. William H. Pickering
Director
Jet Propulsion Laboratory
Pasadena, California

Dear Dr. Pickering:

25X1A

This is just to confirm the telephone conversation you had with [redacted] regarding the forthcoming meeting of the Ramo Space Panel to be held at TRW, Los Angeles, California, on 28-29 July convening at 0900 on both days. I am pleased that you are able to attend the session, for your presence there will contribute greatly to an interesting and productive discussion.

25X1A

I have asked our representative [redacted] to make himself available for any support you may require during the two-day session. If you wish, he will arrange to store material for the meeting upon your arrival in Los Angeles. [redacted] telephone number at home is [redacted] and his office number is [redacted]. For your convenience, I have enclosed a copy of a map with directions for reaching TRW.
