NOTE FOR: [REDACTED]

25X1A

We have been invited to attend some movies placed at our disposal by [REDACTED] showing the President's trip to Australia and some other pertinent Australian film. OCR Liaison Staff [REDACTED] is taking care of arrangements and has allocated six seats to you and me and four or five others if we choose to include them from DDS&T. I suggest that we look these films over and if they are of general interest we can borrow them for a larger DDS&T showing.
