SUBJECT : Proposed Briefing of DD/S&T by [redacted]

25X1C

1. Last week I forwarded a proposal through you to Mr. Duckett for [redacted] to brief DD/S&T on 18 November. As you may know, we have been after [redacted] for the past year to give us a briefing along the same lines that [redacted] gave to the DD/S&T officers. When [redacted] and [redacted] visited Mr. Duckett recently [redacted] agreed to give the briefing "in a few weeks." I pinned him down to a date of 18 November. I understand that the Friday afternoon Staff meeting might be the appropriate time for [redacted] to give his briefing. If the 18th is not appropriate, would you suggest a date so that I may alert [redacted] who has been checking with me at intervals as to the final determination of the date.
