SUBJECT : Operations Familiarization Course - DD/S&T
Career Development Course #2

1. May I, as Director of the Career Development Course #2, express my appreciation for permitting this group of young men to participate in the Operations Familiarization Course - #B68, given 2-26 January 1968. I realize fully that it was an imposition and, therefore, doubly appreciated. As expressed by the students themselves "the course was most worthwhile."

2. Please forward my sincere thanks to those under your supervision and others who may have had added responsibilities.
