Langley, Virginia

Dear Mr. McCone:

We have received the "Atlas of Transmission Pipelines for Natural Gas of the USSR," prepared by the Central Intelligence Agency as of March 1963.

We wish to compliment you on this comprehensive and well documented information on the gas pipeline industry within the Soviet Union, and I am sure that we will find it to be of great assistance to us in our work in the Office of Oil and Gas. Those who were responsible for the preparation of this work are to be complimented on its detail and composition.

Very truly yours,

Jerome J. O'Brien
