25X1 3. [redacted] Mrs. Arlene McArthur, Personal Secretary to Senator Charles McC. Mathias (R., Md.), called to say that unfortunately the Navy had scheduled a briefing on 9 October which Senator Mathias felt he could not miss and therefore it would be necessary for him to cancel his lecture to the Mid-Career Course that morning. She said the Senator was anxious to do this kind of thing, however, and asked that we contact them again when another opportunity might present itself.

25X1 4. [redacted] J. Sourwine, Chief Counsel, Senate Internal Security Subcommittee, called and asked if we had any information on [redacted] I told him I would check on this and be back in touch with him.

25X1 5. [redacted] Talked further with James Gehrig, Staff Director, Senate Aeronautical and Space Sciences Committee, about a briefing of the Committee and designated staff members by Mr. Duckett on the Luna 16 shot and recent developments in the Soviet space program. Gehrig plans to talk with Chairman Anderson and Senator Margaret Chase Smith about a briefing sometime next week and he will be back in touch with us. It was agreed that staff participation would be limited to Gehrig, Bill Parker, and Craig Voorhees.

25X1 6. [redacted] Talked with Ed Kenny, Senator Strom Thurmond's representative on the Senate Preparedness Subcommittee staff, about the Senator's letter to the Director on Cuba. (Kenny had mentioned to me earlier that the Senator had sent such a letter.) I told Kenny that the Director had focused on the letter and appreciated the Senator's concern over the situation. He also wanted the Senator to be assured that we were on top of the situation and giving it top priority. Kenny said he was sure we were and that the President had so instructed the Director. He said Thurmond had made a public statement expressing his concern over the Cuban situation including a statement that he was calling on the Director to give it his full attention, and he wanted to follow up on this by sending him a letter. Kenny went on to say that as noted in the Senator's postscript when we were "in a position to provide anything further on this the Senator would appreciate it."

10. [redacted] Jack Norpel, Senate Internal Security Sub-committee staff, called to relay further information on a subject of special interest to the Agency which was passed on to Mr. [redacted], CI Staff.

I told Norpel that we would be sending down the last of the prints the Subcommittee had asked us to make up for them and that we would appreciate temporary return of a set with identities attached for our use.

11. [redacted] Dr. Baird, in the office of Senator Henry Bellmon (R., Okla.), called on behalf of a contractor interested in making a business contact with Air America and I referred him to the telephone directory listing for Air America in the Washington area and he said he would call.

OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 22 September 1970

25X1 1. [] Passed an invitation via [] to 25X1
Mr. Fred Buzhardt, General Counsel, DOD, to come over for lunch on
Friday, 25 September, with Mr. Houston and me. Received immediate
word back that Mr. Buzhardt had an important matter to discuss with us
which couldn't wait until Friday and we set up a meeting for 10:30 a. m.
tomorrow at his office.

25X1 2. [] Talked with Bill Woodruff, Counsel, Senate
Appropriations Committee, and Ed Braswell, on the staff of the Senate
Armed Services Committee, about conference committee action on the
military procurement bill today and the request Mr. Maury had received
from Mr. Fred Buzhardt, General Counsel, DOD, for a meeting tomorrow
morning (see Memorandum for the Record).

25X1 3. [] Talked with Bob Vagley, on the staff of
the House Committee on Education and Labor, about our views on the
equal employment opportunities enforcement act legislation. Both Senate
and House bills (S. 2453 and H. R. 17555) have been reported by their
respective committees. See Memorandum for the Record.

25X1 4. [] Met with Jack Norpel, Senate Internal
Security Subcommittee staff, who gave me some information on [] 25X1
[] and a set of the pictures, with identities, we had developed for
him which were passed on to Mr. [] CI Staff. The pictures are to
be returned to Norpel.

25X1 5. [] 25X1A
25X1C 18 September, informed Jay Sourwine, Senate Internal Security Subcommittee
staff, that [] is not available at the present time but that we would
keep the Subcommittee's interest in mind. Sourwine then asked about the
possibility of a classified staff interview with [] which would not be
publicized. I said I would check.

10. [redacted] Met with Bun Bray, Staff Director, Subcommittee on Manpower and Civil Service, House Committee on Post Office and Civil Service, who told me that he had been with the Chairman for sometime during the morning. No Subcommittee meeting has been scheduled and Mr. Bray himself is not certain at this point what the Chairman's intentions are with regard to S. 782, the Ervin bill. Mr. Bray noted that on his tour of the West during this last week or so he has given each audience that he has addressed a chance to raise whatever questions or complaints they might have with regard to invasion of privacy and so far has identified only one that by its nature does not really fit the problem Senator Ervin is trying to resolve. Although he foresees no meeting this week, he will try to keep me advised should the situation change. As far as union interest it is centered completely on wage and wage related matters with no apparent current interest in the Ervin bill.

25X1

11. [redacted] Jay Sourwine, Senate Internal Security Subcommittee staff, called to determine the authenticity and timeliness of information on the Katyn massacre in the form of excerpts from the diary of a KGB Colonel provided by an assistant to the Colonel, one [redacted]. I told Sourwine I would check and be back in touch.

[redacted] Jay Sourwine, Senate Internal Security Subcommittee staff, called and advised that it had been decided to publish the testimony of [redacted] and that the galley proofs would be ready at the end of the week and made available for us for such deletions and clarifications as may be appropriate.

25X1C

Sourwine also stated the Subcommittee's continued interest in [redacted] (which he identified as a pseudonym), and I said I would check and be back in touch.

25X1

2. [redacted] Helen Tonnar, Senate Internal Security Subcommittee staff, called to say that Jack Norpel wanted to get some information to us and it was agreed that it would be more convenient to pick the material up the next time we pass by the office.

25X1

3. [redacted] Dorothy Fosdick, Staff Director, Senate Subcommittee on National Security and International Operations, called and said Senator Jackson had asked that she and Richard Perle get a briefing from the Agency this afternoon or tomorrow on the Arab guerrilla movements, their organization, source of arms and the relationship between these organizations and the Soviet Union. Arrangements were made for [redacted] OCI/NE, to brief them tomorrow morning.

4. [redacted] Met with Mr. John Gomien, Administrative Assistant to Senator Ralph Smith (R., Ill.), and delivered Colonel White's letter to the Senator. Mr. Gomien was most helpful as usual. Mr. Gomien told me that Senator Smith will be back in the state on the 29th but that if I cared to call on Monday, the 28th, he would recheck the Senator's availability in Washington for the 29th. [redacted] has been advised.

25X1 1. [] Talked to Ralph Preston, House Appropriations Committee staff, and told him that it would be most helpful if we could go until Friday before responding to his request for additional budget information. Mr. Preston agreed; I am to call him later to set a time for meeting on Friday.

25X1 2. [] (JMM) Lunched with Ambassador Harry Symmes, Deputy Assistant Secretary of State for Congressional Relations, and Martin Manch, Executive Director, ACDA, and discussed common problems in dealing with the Senate Foreign Relations Committee, particularly regarding the handling of sensitive security matters.

25X1 3. [] Left for Kathy Rowan, in the office of Senator George Murphy (R., Calif.), a suggested reply to a letter from a constituent, [] concerning the Agency budget. Miss Rowan is to call if she has any problems with the letter.

25X1 4. [] Met with Jack Norpel, Senate Internal Security Subcommittee, who gave me information on several items which he thought would be of interest to the Agency and I said I would pass them on as appropriate.

25X1 5. [] Called Vic Zafra, in the Office of Management and Budget, on the status of our retirement legislation in the light of Treasury's adverse report on the funding title. Zafra said it would be impossible to resolve the matter before the adjournment of this Congress but agreed to try to clear the other provisions of the bill in Title II, including quota relief, and promised to let us know the outcome in the next two days. 9. [redacted] Called Bob Vagley, Director, General Subcommittee on Labor, House Education and Labor Committee, on the recently reported out Equal Employment Opportunities Enforcement Act (H. R. 17555, S. 2453). He said prospects for passage are good since, unlike previous years, the Senate seems prepared to act. I explained our problem with the Senate version which he readily appreciated. He felt the Committee would be receptive to protecting our interest explaining that the application of the legislation to federal employees had not received a great deal of attention and no one had focused on the problems it might cause sensitive agencies. I stressed that the prime purpose of my call was to obtain information and that the viewpoints I expressed did not constitute an Agency position, which he said he understood.

25X1A

Called [redacted] General Counsel, NSA, to alert him to the action on the above bills and their possible adverse effect. I also called Robert Hull, Department of State, and alerted him to the action on these bills.

25X1

10. [redacted] Robert Hull, Department of State, called and said that the Foreign Service Retirement Association had been in contact with Chairman Dulski, House Post Office and Civil Service Committee, on the possibility of including the Foreign Service retirement system in the bill liberalizing widow and widower survivorship provision for the Civil Service system. He was unsure of Dulski's receptivity and I asked Hull to keep us advised if there is any progress against the possibility that we might want to request similar consideration for our retirement act.

25X1

11. [redacted] Jack Norpel, Senate Internal Security Subcommittee staff, called and asked if we would stop by in the next day or two to discuss a matter of mutual interest. I told him that someone would be by.

25X1 10. [redacted] Met with Mr. Ralph Preston, House Appropriations Committee staff, and discussed in some detail the Military Procurement Authorization Act and the amendments that were made by the Senate. He noted that this bill is apparently headed into difficulty in conference between the Senate and House Armed Services Committee, at least in part due to the very strong position already taken by Chairman Rivers with regard to the points at issue. He also noted the present adjournment talk in the Senate (15 October) does not appear very realistic at this time.

I briefed Mr. Preston on the following items: aerial hijacking and PFLP; continuing SAM activity in the canal standstill zone; potential Soviet aircraft shipments to the UAR; operational assignment of Flogger and Foxbat aircraft, and Soviet military aid commitments to Pakistan.

25X1 11. [redacted] In the absence of Jay Sourwine and Jack Norpel from the office, delivered to James Ziglar, Research Assistant, Senate Internal Security Subcommittee, prints of negatives they had supplied and told Ziglar that the movie film would be ready later next week. 25X1 1. [redacted] Accompanied Mr. Houston in a meeting with Russ Blandford, Chief Counsel, House Armed Services Committee, General James Lawrence, Deputy Assistant to the Secretary (Legislative Affairs) DOD, and Maurice Lanman, Assistant General Counsel (Fiscal Matters) DOD, regarding the effect of recent amendments to the Military Procurement Authorization bill on certain Southeast Asian projects of concern to both DOD and the Agency. (See Mr. Houston's Memo for the Record for details.)

I mentioned briefly to Blandford the latest information on surface-to-air missiles in the UAR, a probable Soviet naval installation in the UAR, and our latest assessment of the Soviet Swing-Wing bomber.

25X1 2. [redacted] Received a call from Mary Devlin, in the office of Representative Keith Sebelius, requesting a professional brochure. A copy was put in the mail.

I said I would be glad to come with him to see Blandford and suggested that Larry Houston join us, which Lawrence thought a good idea.
