1. [redacted] I mentioned to Colonel White that we proposed to put [redacted] on contract with the Office of Logistics at \$9000 a year to work full time on Agency fine arts activities. I pointed out that we were working very closely with the Fine Arts Commission and that practical implementing work falls on the Office of Logistics and [redacted] talents 25X1A could be well applied to Agency beautification programs. Colonel White fully agreed.

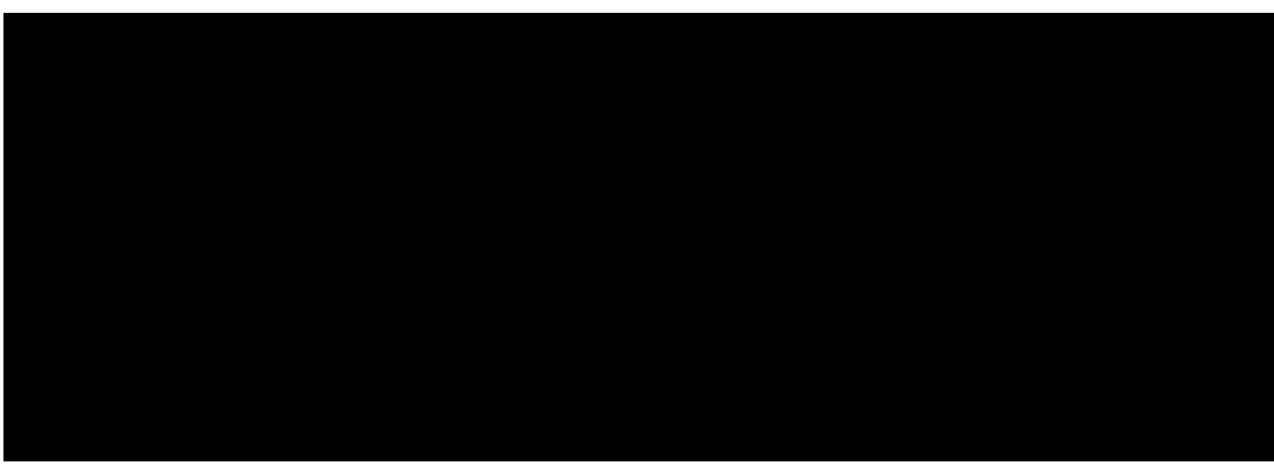

2. I had two discussions with Jack Smith, newly appointed DD/I, as to the administrative career program within DD/I. On the second meeting we arrived at full agreement which will be the subject of a separate memorandum.

3. I called a meeting of Mr. Fuchs, [redacted] Mr. Echols and Mr. [redacted] 25X1A to discuss disputed classification review of the Office of Finance. After some discussion of certain issues for clarification purposes, I made a decision that the agreed upon classifications of positions between [redacted] and Mr. [redacted] 25X1A Fuchs would be accepted with the raising of one position, which was in dispute, by one grade. The remaining 15 positions, which were in dispute, I accepted as presently classified by Personnel and agreed that they would be subject to re-review one year from this date. On one position on which there was some doubt, [redacted] will currently review and come up with a position.
