Educational Aid Fund

1. John Bross and Sherman Kent reported that [redacted] will give \$20,000 to the EAF to be donated over a period of time. A question to be discussed is how we should advise her to do this and whether or not it should go into the capital fund or into direct scholarships. 25X1A

2. John Bross, Sherman Kent, and I met to discuss the present status of our solicitation campaign for our capital fund. I advised I would check its status based upon our recently proposed program of action.
