

3 December 1969

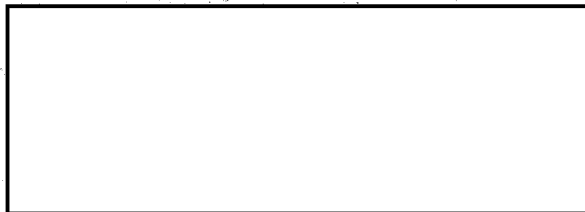

Office of Records Management  
National Archives and Records Service

Stop 220

Attention: Joseph V. Bradt

Dear Mr. Bradt:

In response to your request for magnetic tape data information CIA has approximately 22,100 standard reels of magnetic tapes which contain classified intelligence information and indices. Due to the security classification of the contents of these tapes this Agency is unable to furnish the specific details required on Forms 7025 and 7036 about its computer tapes.

CIA Records Administration Officer
