Dear Lawson:

I have received your progress report on the program for copying Government records for my Library. It is my wish that there be no delay on this project, and that the copying of selected records be completed as near January 20, 1969, as is possible.

I have emphasized the urgency and priority of this project in recent meetings with the Cabinet and Under Secretaries. Department and Agency heads will also receive a copy of this letter. I am urging every official concerned to cooperate wholeheartedly with the General Services Administration, so that we do not lose a day in completing this important project.

Sincerely,

Please give me bi monthly reports to me

Honorable Lawson Knott
Administrator
