

EASTERN COLLEGE PERSONNEL OFFICERS

FOUNDED 1926

December 7, 1966

Dr. Grayson Kirk, President
Columbia University
New York, New York 10027

Dear Doctor Kirk:

The college members of the Executive Committee of the Eastern College Personnel Officers wish to express their concern for the right of students and alumni to meet with recruiters of government, business and industry on the college campus.

Individuals and/or groups holding specific views have the right to express such views; however, they should not be permitted to interfere with or block interviewing schedules set by recognized college agencies with legitimately constituted organizations.

It is our hope that college and university administrations will support their placement officers in their on campus recruiting programs.

Sincerely yours,

A handwritten signature in cursive script that reads "Irene M. Charles".
