"Soviet Criminal Law and Procedure: The RSFSR Codes," translated by Harold J. Berman and James W. Spindler, will be published by Harvard University Press on Feb. 21. Mr. Berman, Professor of Law at Harvard, contributes an introduction in which he discusses the meaning of the 1960 codes as a reflection of Soviet desire to establish legality and prevent a return to Stalinist arbitrariness and terror. This is the 50th volume in the series of books from the Russian Research Center of Harvard dating from 1950.
