MEMORANDUM FOR: Members, Critical Collection Problems Committee

SUBJECT : Review of Intelligence Activities Against Communist China

1. Attached is a draft proposed report of CCPC comments and recommendations resulting from its review of the reports of the various agencies contained in USIB-D-64.6/27.

2. I would like to meet with you at 1400 hours on 8 November 1965 in my office to discuss this draft. If you have any major substantive changes, it would be useful to distribute them to the Committee members prior to the meeting.
