COMMITTEE ON GOVERNMENT OPERATIONS

2157 Rayburn House Office Building

Washington, D.C. 20515

February 26, 1971

Honorable Richard Helms
 Director
 Central Intelligence Agency
 Washington, D. C. 20505

Dear Mr. Helms:

The House Committee on Government Operations is again charged with the responsibility of compiling a Federal Property Inventory Report covering real and personal property assets of the United States Government, on a world-wide basis, as of June 30, 1970. The report is expected to be published as soon as possible.

Your agency has been of great assistance to the Committee during the past few years in compiling data covering assets under the jurisdiction of the Central Intelligence Agency. I am especially pleased that assets of your agency have been reported previously in a manner, mutually agreed upon, which represented acquisition cost value without positive identification in each instance.

I shall greatly appreciate your furnishing the Committee again, in a manner similar to the one employed in the past, figures covering real and personal property assets under your jurisdiction as of June 30, 1970. It is requested that these data be furnished the Committee no later than April 1, 1971.

I shall greatly appreciate your continued cooperation and support in assisting the Committee in this endeavor.

Sincerely yours,

Chet Holifield
