a request from State Department that we provide Justice Department with  
25X1 Agency reports on Korean Cultural and Freedom Foundation and Radio of  
OGC. [redacted] had previously discussed this with [redacted] of 25X1  
Justice and also suggested that this matter be cleared with Mr. Karamessines. 25X1C

and his Administrative Assistant Paul Schasberg regarding some sensitive

25X1 9. [redacted] Accompanied [redacted] CI Staff, and Phil  
Vandivier, State Department, in meeting with Representative Paul Rogers  
and Robert Maher, of his staff, in response to Rogers' request for follow-up  
information on a clandestine report on an "arms for opium deal" involving the  
ChiNats. We explained that despite continuing efforts we had been unable to  
obtain any confirmation of this report and continued to consider it of dubious  
validity. However Rogers persisted in his interest and urged that we continue  
to seek confirmation or clarification, which we promised to do. 25X1A
