

CENTRAL INTELLIGENCE AGENCY

WASHINGTON, D. C. 20505

OFFICE OF THE DIRECTOR

3 December 1966

MEMORANDUM FOR ALL EMPLOYEES

1. The results of this year's Consolidated Fund Drive in the Agency were most gratifying. The Combined Federal Campaign pledges of \$205,000 are 115 per cent of our goal and again placed the Agency on the Combined Federal Campaign Honor Roll for exceeding its goal. In addition, we gave almost \$13,000 to our Educational Aid Fund and over \$13,000 to our Public Service Aid Society.

2. By your warm response to this combined campaign you have continued the Agency's proud tradition of generosity and again shown your willingness to help others less fortunate. I commend this evidence of concern and your very generous individual participation.

3. I wish to thank all employees, especially the Office Chairmen and Keymen, for their efforts which made this campaign so successful.
