

25 YEAR RE-REVIEW

26 Aug 1970

STATINTL

[redacted] of CRS called about the old files of the US Strategic Bombing Survey. Told her our records show they are at National Archives and the custody of the records went from CIA to DIA in August 1966. Agreement dated 1 August 1966 (see copy in our files and at Archives).

Told Donna we can make any arrangements with National Archives when someone is interested in seeing the records.

(Call John Taylor of Military Records in Archives 13-25511)

3 Sept 1970

Had a call from CRS [redacted] for an OSS document in the Research and Analysis collection at National Archives--Report 4727 dated Oct 8, 1948.

STATINTL

Called John Taylor at Archives who said the last OSS report was 4000. State Dept started with 4001 which would be with Mrs. Dowling 13-36678. John will search and call us back. 4 September--Mr. Taylor said document was located. It is 47 pages and he will make a copy for us. I picked up the copy and sent it to CRS for retention.

STATINTL

Had a call from Mr [redacted] of OBGI through CRS for a US Strategic Bombing Document. Called Archives and located the document. Requester will go to National Archives to see the document.

Feb 1971

Received a request from DDP for Allied High Commission for Germany records. Located same at State Dept. Received a copy of the document which I forwarded to the requestor on 18 Feb.

July 1971

STATINTL

Had a call from Col. Pomrenze from the Pentagon asking for a detail of two persons to help reproduce some files from the [redacted] collection. Request was eventually denied.

STATINTL

Sept 1971

Received a call from CRS for a document thought to be a National Archives. Called John Taylor who located the publication at Suitland. Archives reproduced the 353 pages and sent it to me. Original request came from HIC(Pforzheimer). It was an article on Guerrilla Resistance Movements in the Philippines and an additional one found at Archives relating to the same subject.
