25X1 1. [redacted] GLC) Obtained from Pat Holt, Acting Chief of Staff, Senate Foreign Relations Committee, his itinerary for his trip which is: Panama, November 19-25; Argentina, November 26 to December 2 or 3; and Chile, December 2 or 3 to December 8. I confirmed that all Holt wants [redacted] is the same type of background briefing he has received on his trips in the past.

25X1 2. [redacted] GLC) Hand-carried to John Goldsmith, Senate Armed Services Committee staff, the "Comparative Study of Basic VC Reports" which he had requested from our people in the field. Goldsmith said that in his conversation with the Chairman on his trip the Chairman gave no indication of concern with respect to the Laos ceiling. (Goldsmith commented to me that Ambassador Godley had said he was not concerned in view of the strong possibility of a cease-fire and in any event thought expenditures would be under the ceiling this year.) Goldsmith said the people in Laos are taking a close look at the Accord of July 23, 1962 for Laos (specifically Section A of Article 1) with respect to the definition of military personnel who might be retained in Laos under the nine point agreement. The above information has been passed on to [redacted] DDP.

Goldsmith asked us to convey his personal appreciation and that of Senator Stennis to [redacted]

[redacted] for the fine assistance they gave him on his trip.

4. [redacted] GLC) Talked to Bill Woodruff, Counsel, Senate Appropriations Committee, who said he would not be able to visit the Agency for the special briefing this week. He suggested that we go ahead and brief Ed Braswell, Chief Counsel, Senate Armed Services Committee, without him.

With respect to the trip he and Senator McClellan are making, he said they would be in Hawaii from 18 - 21 November, in Korea from 22 - 26 November, and back in Hawaii from 25 - 30 November.
