OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 23 August 1972

2. (Unclassified - GLC) Jack Norpel, on the staff of the Senate Internal Security Subcommittee, called and asked if we could provide the Subcommittee with a glossy photograph of Walter Krivitsky, a defector who was assassinated in Washington, D. C. on 10 February 1941. We are checking on this.

3. (Unclassified - GLC) [redacted] of OCI, called to advise that David Martin, on the staff of the Senate Internal Security Subcommittee, has called him today and asked if we would have someone come up and review the map of Laos which the Committee proposes to include in General Walt's testimony on the drug situation in Southeast Asia. They would also like some further specific data and [redacted] is checking on this. We will be back in touch with Martin and try to meet with him on Monday.
