Vice Admiral William F. Raborn, Jr., USN (Ret)
Director, Central Intelligence
Washington, D. C.

Dear "Red":

You already know what a great pleasure and honor it was to NSIA, and to me personally, to have you as our honored guest and recipient of the Forrestal Award. An outstanding feature for all of us here was the splendid cooperation and support of [REDACTED] George is not only a fine person but a most able one. You are fortunate to have him as an aide, and we as a friend. Please convey our appreciation to him.

25X1A9a

Kindest regards.

Sincerely,

R. N. McFarlane
