reward James Donovan (who negotiated with Castro) by appointing him White House special rep for Latin-America... The SEC will get tougher with Wall Street. Feels that its first blast was ignored... The N. Y. Times is having a revolution, too. Many staffers don't know the editors without a scorecard... Did U. S. Marine boss Gen. Shoup resign from the Medal of Honor Winners Ass'n? Because one of that great group was silently dropped from the Corps over that Cuban killing... Ahem! The Duke of Edinburgh has a new Girl Friday to accompany him when he travels. She is Victoria Lee-Barber, shapely and 20.
