Donovan's Drug Deal

Dear Sirs:

David Lindeman is magnificent in his article of February 2, 1963 [CUBAN PRISONER EXCHANGE], in which he tells the American public about the greatest airlift to freedom ever known. He paints a vivid picture of Attorney James B. Donovan's colossal success in his efforts to obtain the liberty of 1,113 Bay of Pigs prisoners.

Dear Sirs:

Your article on Donovan made me proud of being an American in a society which could produce such an outstanding humble character.
