Kenneth Clark Appointed To National Panel

Dr. Kenneth E. Clark, dean of the University of Colorado College of Arts and Sciences, has been appointed to the Life Sciences panel of the President's Science Advisory Committee.

Clark will attend the panel's meeting in the White House Offices in Washington, D.C., Dec. 11. Dr. Colin MacLeod, professor of research medicine in the University of Pennsylvania School of Medicine, is chairman of the panel.

The dean is editor of the American Psychological Association's Journal of Applied Psychology. He also is consultant to the Veterans Administration, the Central Intelligence Agency and the National Science Foundation.
