## of New York

The Washington Roll-Call: They say CIA informed JFK. There is reason to believe" Russia cracked the sending code of U.S. satellites in Orbitville... Feds are checking the rumor that the private pilot of Cuba's "Che" Guevera landed in Canada for political asylum. His name is Velasquez. He was on his way back from Prague... "Angella," the yacht Trujillo's son used (for those H'wood parties) can be had for only 2 mill... JFK is slowly replacing "Liberal" in his speeches with "Progressive"... Shopkeepers groan that "the White House is slow pay"... Hasn't NASA asked JFK to permit it to stop live coverage of Orbit flights? From now on "the shoots are "too important" to risk making a circus out of them... Orchid for Jackie: America's Charmbassador... Wags say when Powers passed spy Abel on that bridge the Red whispered: "Butterfingers!"
